12. National Team Manager

National Team manager can also register. A seat at the briefings will be arranged and competition documents handed out. To register, please fill out the form available from the official document weblink. The form must be signed by all competitors associated with the manager. He will then be considered a crew member of each team associated. Please hand in the form at check In.

13. Anti-doping and alcohol policy

WADA rules concerning anti-doping, including alcohol abuse, will be applied.

Intoxicated crew, including pilots, should be ordered to stop whatever ballooning activity they are currently participating in. The Safety Officer can take whatever action he feels appropriate and should immediately inform the Event Director.

If there is need for independent documentation, medical treatment or if otherwise deemed necessary, police or emergency services will be asked for assistance.

If you are using a drug that is on the WADA list of "Prohibited Substances and Methods" but is prescribed by a medical doctor, **you must have a document from your national sport authority showing that you have an official exemption.** In such a case, please report this to the Event Director.

The latest WADA list of "Prohibited Substances and Methods" can be downloaded here:

<https://www.wada-ama.org/en/prohibited-list>

Note: The legal blood alcohol limit for driving in Austria is 0,25 mg/ml.

The legal blood alcohol limit for flying in Austria is 0 mg/ml.

14. GPS Logger

The FAI/CIA Flytec loggers will be used in the competition. See more details the event rules.

A logger may be used at the August 17th practice flights. Please contact the competition officials on the practice flight briefing on August 16th 18:00 for details.

15. Practice Flights

For all practice flights please be aware of the following:

- Responsibility:** You will operate your equipment under your own responsibility at any time.
- Schedule:** see under 1-Schedule
- Briefing:** Practice briefings will be held in front of the main briefing room, located at the school in the center of Groß-Siegharts. Briefings for training flights are scheduled for August 16th and 17th at 18:00.
- Flying Area:** Practice flights are only permitted in Austrian airspace and outside all PZs. Austrian air-law applies any time and to all aerial activities. The maximum flying altitude is 8500ft MSL.
- Target display:** A target will be displayed at the main launch site.
- PZs:** All PZs, as defined in the rules, are also in force during all practice flights. Be especially aware of PZ10, PZ11 and PZ12. Landing in this area is extremely dangerous due to military activity and land mines.
- IMPORTANT:** *Each infringement of a PZ, altitude or boundary, may jeopardize the good conduct of the competition afterwards! Please be very careful!*
- Refueling cost:** For all practice flights propane will be available at own cost from the event organisers. The cost will be invoiced after August 18th.

Landowner: Please respect the landowners' land and cattle and take special care to consider them as our hosts who are due our best consideration. Any complaint from a land-owner should be directed immediately to the event organisers or the event officials.

16. General Briefing

Attending the General Briefing is compulsory for Pilots and Officials.

The competition briefing will be held at **14:00 on 18th August**. Each pilot can attend with their crew chief.

17. Task Briefing

Only pilots and crew chiefs are allowed to enter the Briefings.

Time: Morning **05:00** / Afternoon **17:00**

Doors generally open 15 minutes before the official briefing time

Location: Competition Center 3006/0449

18. Breakfast, Lunch, Dinner

Breakfast included in the entry fee will be provided to participants near the briefing room 3012/0437. At the same location you will get Lunch and Dinner, except on Opening and Closing day. Opening and Closing Dinner is on the Common Launch Area.

lunch:	10:30 – 13:00
dinner:	21:00 – 23:00

19. Recall Procedure

Recall will primarily be done by phone SMS. It is therefore recommended for the pilot AND the crew chief to be equipped with working SIM cards and phones. Please make sure to register both phone numbers in the registration form.

20. Extra Mobile Phone and SIM cards

There will be a possibility to buy national SIM cards and mobile phones at check-in.

21. Airspace

Airspace limitations are defined in the event rules. Special, updated or additional limitations will be announced latest at the General briefing.

Drone flying is heavily restricted in Austria. Even if a permission is obtained by the Austrian civil aviation authorities it is not allowed to fly drones in or near MMAs and CLAs unless explicit permission has been obtained by the organiser and event director.

22. Air band radio

As of January 1st, 2018, a new European regulation makes the use of VHF 8.33kHz voice channel spacing in European airspace mandatory. Please be aware that during the event checks may be made by the regulation authorities. More details can be found here: <http://www.eurocontrol.int/833>
