## II.12 GOALS SELECTED BY A COMPETITOR (12.2)

The following types of roads and intersection of them are permitted for the purpose of goals selected by competitors any intersection except the limitations: No goal selected by a competitor shall be:

- a. within a built-up area below 1000ft;

II.17.c If you have any problem with loggers then immediately call the Chief Scorer:

**Ilona GIZATULLINA +420 606 831 573.**

The loggers and FRF shall be brought back to the Competition Center immediately after the flight, no refuelling before debriefing.

III.9.14 *Note: No use of launchmasters and launch assignment during the Event. The competitor may ask for an assistant at the flagpole.*

III.12.5 *Note: The target will always be displayed within 100 m of the given goal coordinates, the closest as possible to the coordinates. If the target is not displayed then the goal will be on the ground.*

III.12.11.2 Note for all tasks: physical or electronical mark is mandatory.

III.12.18.1 The scoring areas will be track files. The boundary will be the track line. The track files (plt) will be downloadable from the ENB. The printed version of the track files will be published on the task sheet. The competitor who can't download the track files may ask it to copy for his USB stick or he can ask the printed version of the track points' list.

III.12.20.1 *Note: The MMA is radius of 50 m by default, exceptions will be noted on the task sheet. If the MMA is more than the natural borders of the area, then the MMA will be the area defined by the natural borders. The measuring team will not measure, not search for, or not collect markers dropped beyond the MMA or in not appropriate area like cornfields, crops, bushes, trees or lake, etc. If there are description or proximity in the waypoints file then it's information only.*

The Official Notice Board on the window of the building's gate.

The Electronic Notice Board is the first post on <http://balloon.hu>. All documents will downloadable from there.

The briefing room is open 15 minutes before the briefing time.

Official Sunrise / Sunset 06:00 / 19:40
