Note: The road to the launchfield is on coordinates 0554/5669. As the road is in muddy conditions at the moment, please drive carefully and prudent. It is allowed to use the side of the field next to the road if this should be necessary because of conditions mentioned.

Please drive as less as possible with the cars on the grass airstrip. It is perfectly possible to park your car on the road next to the launchfield and lay-out the balloons on the grass.

Note 2: It is not allowed to land on the grass or concrete of the airfield. Please land outside the borders of the airfield.
