Section II clause 12 of event rules say:

<...>If altitude of goal selected by a competitor is below 700 ft, or the altitude is not declared, the goal shall not be:

a. within a built up area (pink colour on the map) <...>

**ED clarifies that "build up area" means to him "build up area of town Velikiye Luki". The bounds of it are the same as bounds of PZ4.**

В Разделе II пункт 12 правил соревнований гласит:

<...>Если высота цели, выбранной Пилотом, ниже 700 фт или высота не заявлена, цель не может находиться:

a. в застроенной части (отмеченной на карте соревнований розовым цветом) <...>

**Вносим ясность, что понятие "в застроенной части" означает для директора "в застроенной части города Великие Луки". Границы ее такие же, как у PZ4.**
