1. Listened to: Igor Starkov about the permission to change the final protocol of task # 2.

Decided: To remove the penalty from the pilot # 14 and give him a warning.

On the next task briefing to warn all pilots, that in the future dangerous flying will be immediately fined.

2. Listened to: Kul'kov Andrey about the rejection in connection with the conflict of interests concerning the protest of pilots №№ 18, 13, 14.

Decided: To accept the rejection, to invite the following candidate from the rating list of jury members Vertiprahov Igor.

3. . Listened to: Igor Starkov about the permission to change the final protocol of task # 6.

Decided: To allow the change of the final protocol of task # 6.

4. Considered the penalty for Ground Contact of pilot # 2 in task # 7.

Decided: The director's decision is valid, the penalty remains unchanged.

5. Examined the question of calculation of the compensation points to pilot # 1 in the tasks №№ 6, 7.

Decided: To give a result, based on the best track point, and add the compensation points to the final size of 500 points for pilot # 1 at the task # 6.

At the task # 7 pilot №1 should not have a result and should receive the compensation points to the final size of 500 points.

6. Examined the question of the amount of a penalty points of pilot # 2 at the task # 5.

According to the sport ethics, pilot, who inflicted damage to another pilot's aerostat, had to land and assist that pilot.

Decided: To increase the penalty to 1000 points.

7. Examined: The question of returning the protest fee.

Decided: Since the protest of pilots №№ 18, 13, 14 is satisfied, fee must be returned.

All decisions were made unanimously.
