II.13 LOCATION OF OFFICIAL NOTICE BOARD (5.10)

Official Notice Board is on the 2nd floor of Fitness center, room before entering the pool.

10.9.2 Not used.

11.2.2 Unless otherwise stated in the task data, a landing at will is not permitted within 200 meters of any goals/targets (for penalty see R13.3 Distance infringements).

11.3.4 Unless otherwise stated in the task data, a contest landing is not permitted within 200 meters of any goals/targets (for penalty see R13.3 Distance infringements).

13.4.2 Task point penalties are subtracted from a competitor's task score, which cannot be reduced below zero. Competition point penalties are also subtracted from a competitor's task score and may result in a negative score, which will be set against his total score in the Event.
During a team score the penalty points of each pilot in every task are summed, divided in halves and subtracted from a team's task score as described above.

14.1.1. A team result is a sum of the pilots' achieved outcomes in a task, including result penalties, divided in halves. A competitor's result is the achieved outcome in a task including result penalties.
Results will be expressed in meters, square kilometers, minutes or degrees with an accuracy specified in R14.6.2.

14.4.1 At the task score sheet the command takes one cell.
Teams will be ranked in order of achieved outcomes according to the rules for each task, including all penalties.

GENERAL INFORMATION

1. Briefings, tasks data sheets

We will try to distribute task data sheet minimum 5 min before the beginning of task briefings, pilots will have at least 5 minutes for studying it.
Morning briefings will begin at 4:00.

2. Responsibility

Lost (or irreparably damaged) loggers shall be compensated by the pilot – 100 EUR (6 000 RUB).

3. Altitude

If declaration of altitude is compulsory and the pilot fails to do so he will be scored to the separation altitude 300 m.

4. Debriefing

Debriefing will take place in Briefing hall.

Please keep silence while waiting for debriefing.

1. Return all unused markers and inform about the lost.
2. Provide Your FRF
3. Return Your logger to debriefer.

Debriefers will check the report for completeness (takeoff, landing, and the estimated results), as well as tracks.

GREEN colour pens is reserved for debriefers, RED – for scorer. Pilots are required to use BLUE, VIOLET, GREY or BLACK writing pens for filling competition forms.

Assigned debriefer (or any free debriefer) will check the report for completeness (take-off, landing place, estimated results). Traditional 4/4 digit coordinates are accepted. All fields in report form must be filled-in.

Realistic estimated result must always be written, even when the marker has landed inside MMA.

Unrealistic estimated results can be interpreted as a sign of disrespect or fraud. Pilots must come to the debriefing without delay. Standard 4/4 coordinates are accepted. All fields of the FRF must be filled.

If the landowner comes to see you, ask for his name and write it on Flight Report. The name will be needed if you have caused disturbance.

5. Competition numbers

Competition numbers from previous competitions should be crossed with a black or blue tape.
